

**Specialists in HTM02-01 Medical Gas Pipeline Equipment**

Precision UK Ltd is a British Manufacturer and World Leader in supplying Medical Gas Pipeline Equipment compliant with HTM 02-01 and BS EN 7396. We offer products from our own designed and UK manufactured stock, including Medical Gas Outlets, Degreased Copper Tube, Line Valves, Area Valve Service Units (AVSU) Single and Modular, Area and Plant Alarms, Rigid/Retractable Pendants, Medical Gas Hoses, Bed Head Units, Medical Air and Vacuum Plant, AGSS Plant and Gas Manifolds.

**Our CPX Degreased Copper Tube is the only tube in the World to be CE marked as a Medical Device 93/42/EEC under CE 0086.**

**This enables our customers to fully CE mark the whole Central Gas Pipeline System within a hospital.**

We truly are the only British Company registered with BSI accredited to ISO 9001, ISO 13485 that CE mark all our products under certificate no. 568506 to 93/42/EEC The Medical Device Directive.

CPX™ is a wholly owned Trademark of Precision UK Ltd; all products manufactured are marked with this brand name as a sign of dedication to design and quality.
